

GREGORY CHARLES, ACCOMPLISHED ARTIST

Gregory Charles is a multifaceted Quebec artist who's been passionate about music since early childhood. This classical pianist, actor, host, singer, choral director, teacher, producer, entrepreneur and public speaker first made his mark on TV and radio, before showing international audiences that he was born for the stage.

With over 2 million show tickets sold, a record-breaking 43-performance run for his show *Noir et Blanc* at Montreal's Bell Centre, a million albums sold, and interactive performances presented worldwide (New York, Tokyo, Shanghai, Paris, London, Mexico City, Los Angeles, Austin, Dallas, Marrakech, Stuttgart, Vienna and more), Gregory is a master entertainer who instinctively knows how to give audiences what they want.

He's also more than happy to share his vast musical knowledge as a teacher, whether on TV shows like *Star Académie*, *Virtuose* and *Crescendo*, or at his own virtual music school called *L'Académie Gregory*.
